

CUT IT OUT® offers complimentary one hour training to salon professionals, led by trained domestic abuse victim advocates. Our training focuses on the three Rs: Recognize a client/family/friend may be abused, respond appropriately and safely, and refer them to professional help.

Below are the current CUT IT OUT® Trainers listed by state. Please reach out directly to a trainer near you to request a CUT IT OUT® Training either in person or online.

Please let us know if contact information for a trainer is out of date by emailing us at cutitout@probeauty.org.

If you or someone you know is in an abusive relationship, you are not alone. Contact the National Domestic Violence Hotline now.
