

# Lay Low and Learn

## Learn Now Earn Forever

At Babe, our commitment is to **you**, the professional hair stylist community and **we want to help** in a couple of ways during this challenging time in our country.

We have a reputation for top tier education and we'd like to offer all of our **online certifications** (tapein, wefts, beaded methods, fusion, microbonding and lash extensions) **for a \$20 donation** to help those most impacted in our industry.

**Proceeds will be donated to the Professional Beauty Association COVID-19 Relief Funds (TBD and where needed).**

In addition, we are hosting **FREE LIVE**, advanced **Look and Learn** events every Monday for the **next 5 weeks**. There are **two** unique classes **every Monday** hosted by the Babe National Educators and are 60-90 minutes each. Join us on Instagram or Facebook for community support, fun, and **FREE** live training.

~~\$75~~
