

Experience NAHA Safely

Updated 7/28/21

The North American Hairstyling Awards (NAHA) is dedicated to providing a safe environment for attendees, and we are continuously monitoring the latest updates from Vegas.

In accordance with government guidelines, NAHA is following recommendations for capacity limits, physical distancing, increased sanitization, and other safety protocols.

Masks

Are currently required when indoors in Las Vegas. NAHA will follow state and local recommendations and mandates and update accordingly.

Sanitizer Stations

In addition to increased signage and directions to handwashing facilities, there will be hand sanitization stations available for your convenience.

Pre-Print Your Tickets

Our new registration system allows you to pre-print your NAHA tickets. You can also reprint your tickets onsite.

Enhanced Sanitation

Mandalay Bay has increased cleaning, with a focus on high-touch surfaces and common areas using cleaning products that meet EPA guidelines.

HVAC and Air Quality

Rigorous measures have been taken to provide as much outside air circulation throughout buildings, with air filters that meet or exceed published standards.

Physical Distancing

Venue seating will be limited to allow for a bit more distance between seats.
