# PBA BEACON PROFESSIONAL+

Professional+ is where the next generation begins—and Beacon is where it comes to life. Because being a professional is just the start. What shapes the future is the *plus*. Their voice. Their purpose. Their community. Their undeniable edge. That's what Beacon ignites. And that's what your brand helps unlock. Beacon isn't just a student program. It's a career catalyst. A confidence builder. A front-row seat to the future of beauty—powered by connection, mentorship, and belief.

In 2026, Beacon honors the rise of the Professional+:

**Voice:** The courage to speak up, show up, and stand for something bigger.

**Purpose:** The causes that move them—and the vision that drives their work.

**Community:** The people who push them forward and walk beside them.

**Individuality:** Raw potential, real ambition, and a path that's entirely their own.

**When your brand supports Beacon, you're not just sponsoring an event. You're investing in legacy. You're shaping careers. You're showing up for the future—and being remembered for it.**

“

*I continue to be inspired by the passion and potential of these future industry professionals. I deeply appreciate the work PBA is doing to recognize, support, and invest in the next generation of beauty leaders.*

**Jaimee Harris Smith**

*Senior Manager, Pro Team, Beauty & Salon, JCPenney*
