ABOUT BEACON

Beacon isn't just a program—it's a turning point. For top beauty school students, it's the moment when possibility becomes purpose, when passion finds direction, and when a career truly begins.

FOR MORE THAN 25 YEARS, Beacon has given future professionals a once-in-a-lifetime opportunity to learn directly from the visionaries shaping beauty today. **OVER 5,000 STUDENTS HAVE WALKED THROUGH BEACON'S DOORS** and left transformed—with clarity, confidence, and connections that last a lifetime.

EACH YEAR, ONLY 47% OF APPLICANTS ARE ACCEPTED, with more than **400 STUDENTS NATIONWIDE** now earning their place in the program. **PARTICIPATION HAS GROWN BY MORE THAN 70% YEAR OVER YEAR,** yet the experience remains as personal, inspiring, and transformative as ever.

Beacon is where ambition meets opportunity—and where tomorrow's leaders discover who they are meant to be. **BACKED BY THE PROFESSIONAL BEAUTY ASSOCIATION,** Beacon represents more than student success: it's a strategic investment in the strength, innovation, and future of the professional beauty industry itself.

If you are looking to connect your brand with the industry's future leaders, contact us about a Beacon Student Program sponsorship!

PBA BEACON PROFESSIONAL +

Professional+ is where the next generation begins—and Beacon is where it comes to life. Because being a professional is just the start. What shapes the future is the *plus*. Their voice. Their purpose. Their community. Their undeniable edge. That's what Beacon ignites. And that's what your brand helps unlock. Beacon isn't just a student program. It's a career catalyst. A confidence builder. A front-row seat to the future of beauty—powered by connection, mentorship, and belief.

In 2026, Beacon honors the rise of the Professional+:

Voice: The courage to speak up, show up, and stand for something bigger.

Purpose: The causes that move them—and the vision that drives their work.

Community: The people who push them forward and walk beside them.

Individuality: Raw potential, real ambition, and a path that's entirely their own.

When your brand supports Beacon, you're not just sponsoring an event. You're investing in legacy. You're shaping careers.

You're showing up for the future—and being remembered for it.

“

I continue to be inspired by the passion and potential of these future industry professionals. I deeply appreciate the work PBA is doing to recognize, support, and invest in the next generation of beauty leaders.
